## WORK EXPERIENCE

---

### HITACHI SOLUTIONS

Seattle, WA

#### ***Senior Advisory Consultant***

March 2022 – June 2025

- Facilitated Design Thinking workshops with executives and cross-functional teams to align business strategy with user-centric product solutions, shaping enterprise software rollouts and driving innovation
- Directed enterprise-wide User Acceptance Testing (UAT) with cross-functional business and IT teams, refining software functionality and interface, enhancing usability, and scaling adoption across global operations
- Optimized business process flows across manufacturing, insurance, retail, healthcare, and financial services, delivering strategic recommendations that enhanced operational efficiency and reduced costs enterprise-wide
- Designed and conducted AI transformation workshops to identify and prioritize AI use cases, increasing employee productivity, improving user experience, and enabling clients' long-term digital strategies and innovation
- Established governance frameworks to streamline compliance and efficiency for enterprise system adoption
- Defined and prioritized product backlogs, acceptance criteria, and test cases to guide agile teams, ensuring delivery aligned with digital transformation goals and user requirements

### PYLES AND ASSOCIATES

Los Angeles, CA

#### ***Marketing Manager and Business Development Associate***

January 2020 - March 2022

- Led development and execution of marketing strategy to strengthen brand presence, increase client acquisition, and align campaigns with broader organizational growth goals and support expansion of two additional locations
- Designed, launched, and maintained the company's website as a primary marketing and communication channel by incorporating iterative executive feedback and usability testing for improved performance and consistent messaging
- Developed marketing collateral that articulated value propositions for prospective clients and partners
- Built and executed digital content strategy that expanded YouTube and Instagram audiences from launch to 2,400+ and 650+ followers, respectively, and developed a brand playbook scaled across a 10-member team
- Coordinated cross-functional marketing team meetings, setting timelines and deliverables to ensure campaign execution was on schedule, managing projects from an online course to educational videos and blog content

### PYLES AND ASSOCIATES

Los Angeles, CA

#### ***Senior Therapist***

March 2019 - March 2022

- Directed monthly evaluations and trainings with behavior technicians utilizing behavior skills training methodology
- Implemented behavioral support plans and monitored client progress and development on verbal and behavioral skills
- Onboarded and trained all hired behavior technicians on ABA principles and client-specific behavior support plans
